Subject indian nation leaders

Senator Hopkins recommended I meet with the Indian Nation Leaders of the three tribes regarding Trans Texas Corridor 35 and its future alignment. Do either of you have contact information for the tribal chiefs?

Thanks!

John: For which counties? The entire length of these roads? Let me know and I'll get the list together.

Rhonda

Please respond directly to Dawn and cc me. Include Tribal chair contact info for all the tribes we would consult with on 106 along these basic corridors. Put an asterix by the Tribes who actually have local jurisdiction (whose present-day nations are crossed by the alignments)

What is the contact info for the Tribes who would be affected by an I-35, US69/US75 or an Indian Nation Turnpike tie project from Texas?
